The class of 2011 would like to dedicate our yearbook to Mr. Michael Oliphant. Mr. O. taught most of us Introductory Physics junior year, and some of us got to know him even better this year in AP Physics. Physics is a course that many struggle with, and even though he has a lot going on in his life, he is always available to give extra help. Rather than force students to memorize facts, Mr. O. seeks to teach his students how to think critically, a skill that will most benefit them in the future. On top of all the work he does for the science department, he is highly involved in students' extracurricular life, running National Honor Society, Robotics, and Science Society, through which he takes students on eye-opening field trips twice a month. He is truly a Renaissance man, with a knowledge spanning from physics to film. Most importantly, though, Mr. O. is a kind-hearted person who cares deeply about each of his students, taking time to get to know them individually and offering quirky pieces of advice. Mr. O. was constantly able to make class more fun, from his silly puns to his barking. He always feared that "We never received the vibrations of molecules he sent through the air," but, Mr. O., we definitely did.

Mr. Michael Oliphant Yearbook Dedication Mr. Robert Mullaney

Going into Freshman Orientation, none of us knew what a Millis High School experience was like. We were not alone in this curiosity. We shared this new beginning with our Principal Mr. Mullaney. As we have grown throughout the years here as students, Mr. Mullaney has grown as our leader. He was there with us through the good times and the bad. At times he may have seemed like an enemy to some or all of us, but his intentions were true. He was shaping us into the young men and women that we are today. To thank and appreciate you Mr. Mullaney, we dedicate our yearbook to you.

Mrs. Victoria Bartley Special Thank You

For those of you who do not know, Mrs. Victoria Bartley has been the Class of 2011's advisor since sophomore year. From Winter Formal, to our overnight look-in, you've seen us all the way through high school. Thank you for giving up your time to make sure funds were raised and fun was had. You helped us organize countless events and made sure that we had the best senior week possible. Thank you Mrs. Bartley for being such an amazing advisor and supporting our class, no matter how many times we failed you. Thank you for sticking up for us and being one of the few who deep down truly does love the Class of 2011. We love you, Mrs. Bartley, and will miss you next year. Hopefully one day another class will be lucky enough to have you as their advisor.

Administration

The Class of 2011 has been a group of individuals with incredible talents and strong character traits that will serve you well in the future. You have had, and will continue to have, a very positive impact on the Millis community. The foundation you have received in Millis will serve you well as you join a "global economy of innovation" in which you will need those "twenty-first century skills" of collaboration, communication, creativity, critical thinking and strong content knowledge.

Millis High School once again has been lauded by the Washington Post (formerly awarded by Newsweek and US News and World Report) as one of the top high schools in the country due to the hard work you have put into taking and succeeding in the most challenging courses possible. Your teachers have supported and challenged you every step of the way but you are the ones who put in the effort to succeed.

As you go forth from Millis, I ask that you take with you the words of David Ramsey who said, "Successful people pull dreams from the sky, put work clothes on them and call them goals." Your dreams are what will give you GRIT- when you care about something, you will stick with it. So pursue your dreams. Dream big, work hard, act on your care and compassion, and laugh much- perhaps in these ways you will be on the path toward creating your own happiness and bringing much progress, love and happiness to the world.

I wish you the best in all of your future endeavors.

Sincerely,

Nancy Gustafson

To the Class of 2011,

Congratulations on a fantastic four years at Millis High School. I am so very proud of your accomplishments here. I am confident that you will

continue to accomplish great things in the years to come. Years from now you will look at this yearbook and memories of your high school days will flood back. You will remember your best friends and the funny moments you had. You will remember your favorite teachers and coaches and the things you achieved in the classroom and on the fields. You will remember the events like Homecoming and Prom. These memories are something you all share although you have now gone your separate ways.

The years you spent at Millis High School will be indelibly etched in your memory. Please also remember the values instilled in you by your parents, teachers, and loved ones. Be women and men of character who realize that integrity and respect are more important than wealth and status; that diligence and perseverance are better indicators of success than SAT scores and Class Rank. Continue to work hard and be compassionate. Follow your dreams and make the world a better place because you are in it.

Good luck to the Class of 2011! Go Mohawks!

This season Millis/Hopedale made a thundering start winning two games. Although losing many key players for the season and certain games, this created a big struggle for the Mohawks. With a 3-8 season we got everything we could get out of what we had from our players, especially the young ones. Still we Mohawks were and still are a family, and will never forget our '10 season. Even at the beginning of a game had a lopsided score towards us, we never gave up, got the score close, and let every team know that you slack off you'll get knocked out. Captains David McGaw, Andrew McCile, Troy Learner, and Mike Ahl wish the upcoming captains Jimmy Perkins, and Mike Meuse good luck on their '11 season and in their new league.

Our motto from the start was "Eat, Sleep, Soccer." We were not all friends at the start, but by the end we were. We bonded at team sleepovers, games, practices, and team dinners. Though our season was not a winning one, we improved so much thanks to the best coaches ever! Luckily, we finished the year off with a dramatic victory over our arch enemies, Bellingham.

We ♥ Our Seniors

With a team full of five juniors and ten seniors who had been playing with each other for years, we were aware that it was our last year all together. We knew our schedule would be difficult, being the small division 3 fish in a tank full of division 2 sharks. Despite our tough season, we made it into tournament as the 12 seed in the division 3 central sectionals. To everyone's surprise, we swept the entire bracket, beating all the top seeds, earning the central sectional title. Although we did not win states, the pride of showing everyone what we were capable of is irreplaceable. It was an unforgettable season, and the seniors wish the team good luck in their seasons to come!

Putt after putt and shot after shot, the golf team proved to be one of Millis' best sports teams. Last year the golf team was struggling to gain new players and more talent. This year the golf team doubled in size. Although our size was large we struggled once more to prove our worth. No matter what the result we always kept our heads high. We are proud to have conducted ourselves with the utmost respect and courtesy. This year we unfortunately did not qualify to play in the state tournament, but we sent one of our team members Ben Martin to represent us. Ben also earned the Tri-Valley League All Star Award. We are very sad to be losing three seniors Peter Kennedy, Benjamin Martin, and Steven Greco. They will all be greatly missed, and the team will not be the same without them. Our greatest achievement this year was, placing 7th out of 10 teams in the Tri-Valley League Tournament. We intend to play hard for the seasons to come. Wish us luck!

Our season was a "recovering season" because we lost many seniors from the previous year. It took a little time, but we began working together as a team. The season was great. The amount of work we put in was high, but we all had a good time. We lost some great seniors. Pam Knight, Katiyn Nicholson, and Caroline Collins, and we will miss them. MGVBB <3

This year the Mohawks were led by co-captains Dave McGaw and Kyle Latosek (TVL All Starr). They started out strong with a record of 2-1 but finished the season 5-16. They were knocked out of the playoffs with a tough loss to Carver in the first round of the playoffs. The season was highlighted with big wins versus Westwood and Neton, and Mrs. Latosek's chicken parm calzones.

The Millis Indoor Track team won one meet. They had good performances at every meet. They were greatly outnumbered at every meet, but it did not discourage them. Six members of the team qualified for the state competition and did extremely well.

THE 2010-2011 season for the Tri-Country Millis Varsity Hockey team was the most successful season yet. Mark Spiane took the lead as our new head coach, filling the spot of old head coach John Harthan. Even though the team did not reach the playoffs, the players showed vast improvement from the year before. The team reached a great milestone by beating Blue Hills for the first time in team history. The team will surely miss the senior class next year.

Millis High School is a school that has always found success in mens volleyball. This season was no different. Our term, made up of mostly first and second year players, made it into the second round of the state tournament. The six seniors, Sean Hurley, Peter Kennedy, Jeff Harkey, Mitch Donehey, Chris Posklensky, Andrew Miccile, will be missed going forward to the next season.

Although it was a rough year for us, no matter that we stuck together. When everything was going downhill, we managed to keep each other and have fun in any situation. We will miss our seniors, Danielle Mortimer, Nicole Cioffi, Katlyn Nicholson, and Madison Shea, and most of all we'll miss being the loving family that we had become.

The 2011 Mohawk Baseball team has a fantastic year with an overall record of 10-13. To reach the playoffs this year, we had to beat Norfolk County Agricultural in which we did with a score of 12-1 clinching our playoff spot. After a slow start, we found ourselves at the exact same spot we were at last year at 3-7 halfway throughout the year. Once the second half of the season began, we were determined to improve. We came out and won 5 out of 6 games against some of the bigger schools such as Norton, Westwood, Medway, and Dover-Sherborn. Our first playoff game was against Marion. We took over the game quickly picking up a win with a score of 10-3. In round 2 of the playoffs, we faced Cape Cod RVT. The Mohawks set the ton for the rest of the game as they scored 4 runs in the first inning and we came out with a win with a score of 13-4. In round 3 of the Division 4 playoffs, we battled it out against West Bridgewater. They were a very good team and put runs on the board fast. A few careless mistakes made the difference in that game and we lost 13-5. The conclusion of our season was devastating because of the fact that there will be a lot of seniors that will be missed next year.

Outdoor track enjoyed a very successful season. Although we didn't win any meets, we all got in great shape and we were the most conditioned team in the Tri-Valley League! Coach Hart and Coach McIntyre co-coached Millis into a happy season all around. Running outside is probably one of the most fun things to do, and our coaches made it extremely enjoyable, as well as our captain, Sarah McAullife.
